FOR IMMEDIATE RELEASE  
September 1, 2010

## **Sealex, Inc. Recognized Among the Fastest-Growing Privately Held U.S. Companies by the 2010 Inc. 5000**

Sealex, Inc., a manufacturer of pre-cured sealants and adhesives, announced today that *Inc.* Magazine has ranked the company as one of the fastest-growing private companies in America. The 2010 Inc. 5000 was announced on August 24, 2010, covering sales revenue of high growth privately held companies through the calendar year ending December 31, 2009. Sealex, Inc. earned the rank of 95 out of the top manufacturing companies on the Inc. 5000 and was ranked 3,101 on the overall list with a three-year sales growth of 65%. This is the third consecutive year that Sealex, Inc. has been recognized on the Inc. 5,000 list. The Inc. 5000 includes the Inc. 500 but digs deeper to offer the most comprehensive look ever at the entrepreneurial engine driving the U.S. economy.

“We are honored to be included on the Inc. 5000 list this year for the third year in a row. The dedication of the entire Sealex team to provide quality pre-cured sealant and adhesive products while focusing on strong customer service has allowed us to achieve this success during these particularly challenging economic times,” said Jason Bakus, vice president of Sealex, Inc. “We look forward to continued success in the future.”

“The leaders of the companies on this year’s Inc. 5000 have figured out how to grow their businesses during the longest recession since the Great Depression,” said Inc. president Bob LaPointe. “The 2010 Inc. 5000 showcases a particularly hardy group of entrepreneurs.”

### **About Sealex, Inc.**

Sealex, Inc. is the industry leader in the development and manufacture of pre-cured sealants. Sealex products are commonly used in a variety of construction related applications, including building envelope restoration, metal buildings & roofing, window & door applications, bridges & other transportation related applications and many others.
